Re: **Freedom of Information Act (FOIA) EPA-R2-2013-07886**

Dear Eng. García:

This is in response to your FOIA request number **EPA-R2-2013-07886**. On July 3, 2013, you requested access to the National Pollutant Elimination System (NPDES) Program public files for the Puerto Rico Industrial Development Company (PRIDCO) building located at PR-198 near Km. 14.7 at José Fernández Street in Las Piedras, Puerto Rico.

In a review of the NPDES files, we determined there are no records for the above mentioned facility. However, you may receive information from the other environmental programs of your query.

If you have questions regarding the other programs of your FOIA request, please contact Ms. Rosana Caballer at 787-977-5880 or through e-mail at [caballer.rosana@epa.gov](mailto:caballer.rosana@epa.gov)
